Acknowledge to: _____

Funds donated to the Fordyce Redbug Foundation will be utilized to support programs, scholarships, activities and special events for students, clubs and organizations in the Fordyce School District. If you would like your donation to be made available for a special group in the school district, please indicate so below. Teachers and school officials will be notified of your donation and may submit a proposal for consideration to the Fordyce Redbug Foundation Board of Directors. Undesignated funds will be made available to all school faculty and staff. Any faculty or staff of the Fordyce School District will be able to submit a proposal for consideration for undesignated funds.
